Faulty T.V. transmitters in rural and backward areas

2943. SHRI BALAVANT *ALIAS* BAL APTE:
SHRI VINAY KATIYAR:

Will the Minister of INFORMATION AND BROADCASTING be pleased to state :

(a) whether a large number of complaints especially from rural and backward areas have been received in regard to faulty functioning of T.V. transmitters during the last three years;

(b) if so, the details thereof, State-wise; and

(c) the action taken by Government to ensure fault-free functioning of T.V. transmitters?

THE MINISTER OF INFORMATION AND BROADCASTING (SHRI PRIYARANJAN DASMUNSI) (a) and (b) Performance of TV transmitters in Doordarshan Network is generally satisfactory though complaints of malfunctioning of some transmitters are received from time to time. No centralised data is maintained in this regard.

(c) All efforts are made by Doordarshan to attend to the complaint, promptly. However, in the case of Very Low Power Transmitters, which are unmanned installations, it takes some time to attend to the complaints, as maintenance staff has to be sent from the nearby maintenance centres.

Private participation in setting up of FM Radio stations

2944. SHRI N.R. GOVINDARAJAR:

Will the Minister of INFORMATION AND BROADCASTING be pleased to state :

(a) whether Government have decided to permit private companies to set up FM Radio stations in the country;

(b) if so, the details of the private companies permitted to set up FM Radio stations along with the number of stations allotted to these companies;

(c) the details of the cities where these radio stations are proposed to be set up, State-wise; and

(d) the time schedule allowed to these companies for establishment of radio stations?

THE MINISTER OF INFORMATION AND BROADCASTING (SHRI PRIYARANJAN DASMUNSI) (a) Yes, Sir. In 1999, the Government decided to allow private companies to set up FM radio stations in the country.

(b) The requisite details are at Statement-I (*See* below).

(c) The State-wise details are at Statement-II (*See* below).
